To tell you the truth I don't have any free & spare time I can hardly make free time I am very busy .Time is too short for me

If I have any spare time I will do several activities like playing / listening to my favorite music / going camping / going to gym / going swimming

20. Do you have any hobbies?

Sure I am fond of chatting on line / learning English

Actually I am crazy about watching cartoon

I am keen on shopping / cycling

21. How did you become interested in English?

My mother encouraged me as matter of fact

22. Do you come from a large or small family?

Well, I think I come from a small family because I have 2 siblings (brother & sister)

Talking about my immediate / extended family, I can say it is small / large

23. How many brothers and sisters do you have? I have one brother and I don't have any sisters /as a matter of fact I'm an only child

24. Do you like your brothers more than your sisters? Which one is better, your brother or your sister? I like to have an older brother because I can spend my time with him. He can help me in my homework. I can go out with him .In my idea sister is better because she's kind and she helps me and she takes care of me .She's like my mother and she's caring and sharing/ None of them .I don't like to have any brothers or sisters .If I have a sibling I must share my bed room with him or her and my parents pay attention to him or her more. I don't like to share my things with others

25 What do you do with your family members in your free time? We spend our time watching TV .We speak about our problems and we try to find a solution for the problem .We go on a picnic together .We have togetherness. We enjoy being together .We do homework together .We go to party .We travel to other cities. We go shopping

26 How often do you visit your relatives? We don't see each other a lot because we are busy and we are not in the same city and we are far from each other/ We visit each other a lot because we live near each other, in the same city so we visit each other every month / once a week /twice a week/ 3 times a month

27 Do you have a lot in common with your brothers and sisters? Actually not much. I think we don't have a lot in common and we are not the same and we don't have any similarities. My parents think we are the same and we have similarities .We both have green eyes but I don't think so

28 Do you have a lot of friends? to tell you the truth I'm not into making friends so I have a few close friends /I have a lot of close friends because I'm sociable person and I am into making friends so I have long-lasting friendships

29 Can you describe one of your best friends? Gosh, my mind is blocked now. I think my best friend is Jack .He is really one of my best friend. He's handsome. He has

dark curly hair. He is caring and sharing and he helps me a lot

30 What do you do with your best friends together? We are keen on having get together and we are fond of going out .We are crazy about having picnics.

32. When do you listen to music? I listen to music when I am free and I take break .I cannot listen to music when I study.

33. What kind of music do you enjoy? I enjoy soft music, background music, pop, hip hop jazz or rock music. I don't enjoy traditional music

34. Do you always listen to music? Yes I listen to music when I do my work .It is a habit that I can't kick . /I don't have free time so I never find time to listen to music

35Can you play any musical instruments? Yes I play guitar, piano, violin. Actually I have taken a few music classes over the years but I'm not professional .and I cannot play very well./I have taken a lot of classes and I have gained Mastery over it during these years and I can play it very well.

36. How do you feel when you listen to sad music? When I listen to sad music I get sad and depressed but when I listen to happy music I get energy and I like to dance.

37. Who is your favorite singer? My favorite singer is/ I am a big fan of

38. Do you listen to foreign music? YES I listen to English music a lot because I can learn a lot of new English words and expressions .I try to memorize them.

39. Describe your home?

We live in a 5 storey apartment on the first, second, third, fourth, fifth floor .there are a big Livingroom, 2 bedrooms, a small kitchen and at the end of the hall there is a bathroom

40. What are there in each room? There is a bed with a pillow, a blanket and a sheet on the bed in the bedroom .there are not any closet .there is a big drawer. There are a lamp, a sofa, an armchair, a carpet and a rug in the living room .There are some curtains on the windows .there are a basin, mirror, bathtub and a shower in the bathroom. There are a stove, an oven, a refrigerator, a fridge and a sink in the kitchen but there are not any cupboards

41. Do you like your present home?

Yes I like it a lot because it is big enough and I have my own bedroom. The neighbors are very friendly and full of hospitality. There are a lot of children as old as me in our building. There is a nice balcony with lots of flower pots.

_no I don't like it because I don't have my own bedroom and I have to share it with my family members. It is not big enough. The neighbors are noisy and impolite they don't have culture of apartment living. We want to move out next year .the public transportation is not enough and our neighborhood is far from the school so I have to take a taxi.

Food

42. What is your favorite food?

I can't name any specific kind of food .I am not picky about food .I try to eat everything. Generally I like spicy, salty, greasy sweet, sour, bitter, bland food but I can't stand junk food .

43. Where do you usually eat? Why?

We usually eat at home because home cooked meals are healthy and we prefer healthy food. Sometimes we go to restaurant and we enjoy eating there but it is very expensive to eat in restaurant. I think my mom's cooking is more delicious.

44. Do you use the telephone or mobile very often?

yes, it is very necessary in my life .I send a lot of messages because it is a way to keep in touch with my friends. When I don't have time to call I send a message.

45. Do you use internet? Why?

I use internet every second of my life. I can't live without it. I surf the net. I search about different subjects on line. I check my emails, telegram etc.

I pay my bills and membership due to my institute. I use internet to waste my time when I am jobless and free.

46. How much do you spend on internet? I spend 5000 tomans a month .It costs a lot and it is expensive so it is not cheap

47. Tell me about an important message you have received?

Well, the other day I received a message from my institute I was accepted in level 5 which made me happy.

-my favorite team beat the opposing team

-I won a prize in the lottery

-My friend congratulated my birthday

48. How did mobile change our life?

I think mobiles are great inventions because People can get in touch with each other across the world easilyand they can communicate with each other fast.

As compared with the past it is more expensive because people use it more and stay online more than before.

49. What kind of transport do you usually use?

I try to use public transport more because I want the environment or nature to be green. I usually try to go on foot or I walk, I take public transport such as bus, taxi, subway, etc. Sometimes I ride my bike or motorcycle. We don't drive our car because it pollutes the air.

50. How do people travel?

Generally most people like to use their cars. they like to be on the road because they enjoy the nature ,fields, farms, mountains, rivers, sea, ocean, jungle even desert .some people fly to other cities or even they enjoy a ride on a bus

51. How has transport changed? More or less
.everything is better .we have safer roads, highways,
bridges, underpasses, flyovers and subways

52. Do you use public transport?

No ,not at all .If we use public transport we are not on
time so we are late .there are not enough public
transport but sometimes I use public transport because
I don't get stuck in traffic and I get faster to my
destination and it is not polluted,it does not pollute the
air if we use public transport

TV program

53 .Do you watch TV a lot?

You know I am a big fan of animation, horror,
documentary love story, drama, war, action, **science**
fiction film.

So when I am free I spend my time watching movies or
series with my family and I watch TV on weekend.

I am in love with....

55. Who is your favorite actor an actress? I am a big fan
of....

56. What was the last movie you watched on TV? It was
called....

57. Who was/is in it? It stars.....and.....

58. Describe the subject of the movie/what was it
about?

It is a science fiction movie

It is called..... اسم

It stars m & y. بازیگر

They play very well.

It is about داستان

59. Do you go to the cinema a lot?

Yes, it is a hobby and we go to the cinema on weekend.

No, because the cinema is far from our home and I am
not into movies a lot. my father doesn't take us.

60. Are you still a student? If so what grade are you
what is your major?

I do elementary, secondary or high school (tertiary
education) in math, humanity (literature), science
major.

61. Describe your education? When I was 5 I went to
the kindergarten. There I learned some rhymes for
children and we spent our time playing and painting
after that I was sent to the elementary school I studied
there for 6 years. I did very well and I studied hard I got
good grades/marks. Then I went to secondary for 3
years and then I found myself in high school in math. I
will get my bac in math because I went to be an
engineer I hope to be accepted in university I want to
get B.A and I will continue my **education to get** M.A I
hope to immigrate to other country to do a research for
P.H.D . I try a lot and I do my best.

62. What is your favorite subjects at school?

I am crazy about literature, math, science , chemistry,
physics P.E , R.E , Geometry , History, Geography,
Algebra, biology they are my favorite but I am
interested in History more I love all my subjects though
they are hard.

-I can't name any specific course but mostly I loved
language I was in love with it because it is something
special.

63. What do you learn in different subjects?

I learn about history of different countries, wars **etc in**
history

I learn about nature, mountain, rivers, sea and ocean in
geography

I learn about **science** and scientific subject in science.

I learn how to calculate numbers and how to solve
problems in math

I learn how to memorize and understand poem and stories in literature.

64. What do you remember about your first school?

Well, let me think, I remember my first day of going to school.

It was strange. Everything was unfamiliar .I didn't know anyone I was shy. It took time to get used to it. But after a while I got to know some of my classmates. One of them called Ali came to me and we made friends. We got along with each other .my teacher was very kind and she taught well.

I went/go to public school but my close friend went to the private school.

65. What do you suggest a visitor visit in your hometown ?

My country is ancient and interesting for visitors.

Visitors should visit historical places, monuments and citadels. For example Persepolis is a great tourist attraction. A visitor can visit the ancient places because they show our tradition and culture.

. It has empires dating back to thousands of years ago. It has special architecture. There are a lot of handmade Monuments and many holy shrines a visitor should visit our beautiful country and do sightseeing and heccan get to know with Iranian culture. For example visirors can bargain while shopping. Carpet and Pistach are famous souvenirs of Iran

66. Where do you like to take a holiday?

I can go somewhere far from the crowd, work pressure, somewhere in nature near the lake or river.

67. What was the best holiday you ever had?

The first time I went to north, was the best holiday.

It was like paradise. I really enjoyed there. I listened to the birds and the flowing rivers. There were a lot of woods and I walked on the beach. I took a lot of photos.

We stayed there 4 days. It was sunny and sometimes cloudy and rainy.

68. How do you like to travel?

I am a big fan of traveling. I love flying to far destination .I die for it, but sometimes I'm not interested in travelling at all and I like staying at home.

Generally traveling makes us refresh, sociable and wise

69.What did you use to do before but you gave it up ? I used to read books a lot ,my friends called me a book worm but now I can't do it because I am very busy. I gave up reading books.

70. What do you hope to do in the future?

I would like to make more free time to read more books I would like to enter the university and I hope to be a doctor and I want to make a lot of money

I would like to reach my wishes (make ends meet)

71. What do you do to reach your wish?

I study hard and I try to be the best student. I take different classes to gain mastery

72. Is English important for you?

It is necessary in my life because I want to immigrate to other country and I hope to continue my education abroad.

73. How long have you been studying English?

I have been studying English since my childhood/ since a couple of years/months ago.

74. Why do you study English? Because it is necessary all over the world .It is an international language many people speak in English in all over the world.

75. What do you find difficult about English?

To me, learning a second language is difficult .our mother tongue is Persian. I have to memorize lots of words and we should stick them in our mind.

We can't learn the right accent and we can't sound like a native.

76. What do you enjoy about learning English?

When I can speak and explain my feeling in another language it gives me joy. I think learning another language increases the mental power and we learn other culture and we can be a better human.
